

# STORYBOARD TITLE: "Annotations For <sup>the ideal</sup> The Filipina"

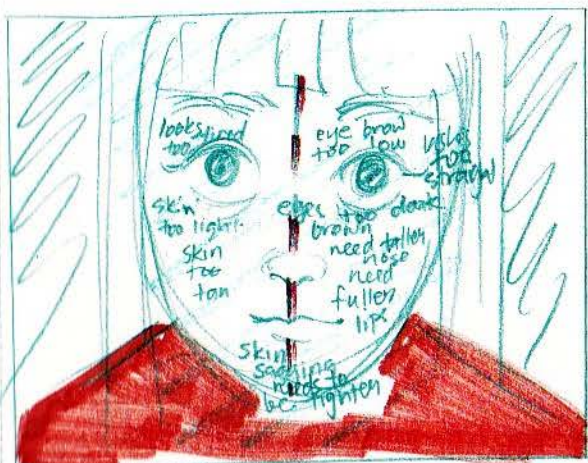

- \* starts off with the lights off, and I am staring at the camera as if I'm staring at a mirror on a stage: makeup desk
  - then, the light will turn on
- Light: harsh white light temperature

- \* same angle close up cool/neutral
- \* lights turn on (harsh white (half intensity) light)
- \* I take a red marker and split my face in half
- \* same emotion - barbie doll face \* dramatic harsh lighting ideal

- \* then, I'll start "annotating" my face with the ideal filipina beauty standard
- the Red = usually associated color with attraction

- \* gradually the face will be filled with notes (until there is no more space)
- \* face remains the same emotion

- Pause (5 seconds) → Face morphs into a forced smile
- then I take out the mascara,

- repeated by apply Mascara until I reach 1 minute
